

## HALT! Who goes there?

Before we can figure out where you want to go, we have to determine where you're at right now. Who are you as an author? What have you accomplished so far? Did you plot a book? Did you write it? Did you write a hundred books? Write out a list of everything you've done in relation to your writerly self. It's time to toot those horns, peoples!

## Looking snazzy, aren't ya?

Now you know where you want to go. How will you get there? I'm not talking about getting there tomorrow. I mean, overall, how do you plan on getting THERE. From Point A to POINT I HAVE A MILLION DOLLARS. We'll break these down from yearly action items and on down until we get to what you can do on a monthly basis to reach your next level.

What do you need to do this year to reach the next level? Write more books? Rebrand yourself? Reinvigorate an old series? Create a Facebook author group? Become the Master of cost per click advertising? What needs to happen this year to reach your ultimate goal?
